

## Invitation to meeting about residential building Zuidkaap

Dear resident(s),

Developer Doniger is planning to build a new residential building, Zuidkaap, on the parking lot next to the Noordkaap building (Hilversumstraat 316). We wish to invite you to a walk-in meeting about the further developed plan on Thursday 27 February between 5:30 PM and 7:30 PM. In this letter, you can read more about what to expect from this meeting.

### Walk-in meeting on 27 February 5:30 PM - 7:30 PM – Will you be joining us?

Over the past six months, we have held several meetings about our plans for Zuidkaap, where neighbours and home seekers could share their advice, concerns, questions and wishes. On 27 February, we would like to present the further developed plan for Zuidkaap to you. We will also show which advice from neighbours and home seekers has been incorporated and which has not (and why). Additionally, we will provide information about the next steps and the planning.

We would like to hear what you think of the plan. The developer, architect, traffic expert and the municipality will be there to answer your questions and engage in conversation. Interpreters (English, Arabic, Turkish and French) will also be present.

**When:** Thursday 27 February, 2025

**Time:** Between 5:30 PM and 7:30 PM (you can drop in at any time)

**Where:** Noordkaap (Leger des Heils building), Hilversumstraat 316

### What has happened recently?

After the walk-in meeting for the neighbourhood on 20 January 2025, workshops were held on 28 January and 13 February, where we worked on various themes with a smaller group of neighbours and the architect. The reports of the previous meetings and workshops can be found at [www.zuidkaap.info/#meedenken](http://www.zuidkaap.info/#meedenken).
